A NOTE FROM THE CEO

Welcome to the East Valley JCC's first Program Guide! We are excited to share with you all the upcoming programs we have planned for January-July 2020.

In this booklet, you'll find a variety of programs for all ages, from classes and camps to films and holiday celebrations.

Due to your generosity and support, we have expanded our programming this past year, reaching more members of our community than ever! Our new programs include an interfaith series featuring local faith leaders, holiday baking classes, and a series featuring local authors, artists and musicians. More than 1,500 people attended last year's Klezmer Fest and we're thrilled to present the second annual Klezmer Fest on March 15.

Our Center for Holocaust Education and Human Dignity is now a member of the Association of Holocaust Organizations and is the only organization in Arizona to have a partnership with Boston University's Elie Wiesel Center for Jewish Studies.

Updated information on all programs can be found throughout the year, including monthly mitzvah projects, on evjcc.org and by signing up for our weekly newsletters (one for adult programming and one for youth programming) at evjcc.org/newsletter.

Please help us continuing to strengthen and build our community by helping support a program of your choice at supportevjcc.org or by donating through our tax credit program, evjcccredit.com.

We hope to see you soon at the EVJCC!

Rabbi Michael Beyo
CEO, East Valley JCC
